WINES ON TAP

Bayside Landing is proudly serving wine on tap. In addition to consistent flavor and quality, there are several amazing economic and environmental benefits to serving wine on tap. Keg containers are 100% reusable, eliminating packaging waste. In addition, kegs weigh less than glass bottles, so less energy is used getting the product from one place to another.

WHITE

Chardonnay - St. Francis | Sonoma \$7.5

Sauvignon Blanc - Angeline | Santa Rosa \$7.5
